# Guess my finish time

## How to play

- Enter your name
- Ask your friends to pay a small donation to take a guess at your finish time
- Sponsors write their name and guess time in one of the blocks
- After your event the person who guesses closest to your actual finish time wins the prize
- Prize could be donated from a local business or something you have bought e.g. a bottle of wine or box of chocolates, or an offer of a free treatment, vouchers etc
- Remember to state what the prize is from the start
- Send the donations in to us and add to your fundraising total

80% of dancers will experience some kind of sports/dance injury, and our mission is to ensure these are treated accurately and promptly to minimize the impact on the dancer's career

## Here's how your donation can make a real difference

- £20 could help with travel expenses so an injured dancer can get to NHS specialist dance clinic for early accurate diagnosis
- £25 could pay for a session of additional rehabilitation with sports massage therapist
- £55 could pay additional sports specialist physiotherapist treatment to optimise recovery from injury or operation
- £250 could fund additional early diagnostics e.g. MRI
